

Hydro-Fracking in NYS: A Call to Action

Sponsored by the Gray and Green Coalition

Our safe drinking water and our health are at stake! Learn more about New York's most serious environmental challenge. How does drilling in the Catskills affect us in New York City?

When: Tuesday, March 15, 2011 1:30-3:30 PM
Where: VISIONS at Selis Manor, 135 W. 23rd Street
(between 6th and 7th Ave.)
(Take #1 subway to 23rd Street)

Speakers: Council Member James Gennaro, Environmental Protection Committee Chair
Kate Sinding, Senior Attorney, Natural Resources Defense Council
Dave Publow, Activist, United for Action
